## OUR PROFESSIONAL SERVICES!

### ► MILESTONE INSPECTION

**BillerReinhart** performs milestone inspections for condominium and cooperative associations in accordance with Florida Statutes, Chapters 553 and 718.

### ► THRESHOLD INSPECTION

**BillerReinhart** performs Threshold Inspection services during the construction of buildings or parking garages. **Threshold inspection** involves site inspections performed by a licensed special inspector during construction to ensure conformance with the project drawing.

### ► STRUCTURAL DESIGN

**BillerReinhart** designs new buildings, industrial structures, and equipment support structures utilizing structural steel, reinforced concrete, reinforced masonry, timber, and light gauge metals. Our wealth of experience in projects includes the following:

- Specialty Structures
- Foundations
- Sign Structures
- Anchorage Details
- Shoring/Bracing
- Roof/Floor Truss
- Value Engineering
- Structural Steel
- Reinforced Concrete
- Timber Construction
- Light Gauge Metals
- Masonry

### ► RESTORATION

**BillerReinhart** produces drawings and specifications for the restoration of existing buildings and structures.

- Property Condition Survey
- Project Design
- Project Bidding and Negotiation Phase Services
- Construction Phase Services

### ► RENOVATION

Renovations often include the strengthening and relocating of structural elements due to modified client requirements.

- Facility Upgrade & Renovation
- Equipment Change Out/Retrofit
- Addition/Expansion
- Structural/Capacity Analysis
- Adaptive Reuse/Services
- Hurricane/Storm Hardening

### ► BUILDING ENVELOPE AND ROOF CONSULTING

**BillerReinhart** provides engineering services for the full building envelope, including roof consulting. These services include design and analysis, restoration and repair, quality assurance, and investigation.

- Roof Design
- Roof Assessment & Consulting
- Roof Assessment Management
- Due Diligence Report
- Construction Warranty Analysis
- Feasibility Study
- Quality Assurance Inspection
