Dear Robert Reinhart:

Thank you for completing your Small Business Encouragement Program (SBEP) registration requirements. The Office of Supplier Development has completed its review of your required documents to determine your eligibility for the District's Small Business Encouragement Program.

We are pleased to advise you that your company has been approved as eligible for registration with the District's Small Business Encouragement Program (SBEP) for the effective dates outlined above. Your SBEP registration is aligned with your small business certification expiration date. This registration will allow the District to recognize its expenditures with your company assisting its vision of reinvestment with eligible small businesses in the Tampa Bay area community.

You should notify this office within 14 business days upon any change in the control or operation of the business.

Notifications of Invitation to Bid/Requests for Proposals and contract information will be sent automatically to you via the email address used to register with MyVendorLink.com. Design professional services, construction management and general contractor firm opportunities will receive project communication by the District's Planning & Construction Department through MyVendorLink.

Thank you for your participation with the Hillsborough County School District and its Office of Supplier Development. Should you have questions, you may contact us at (813) 635-1240.

Sincerely,

Bobbie Jean Hargrove
